The WOW Factor

These covers literally speak to your audience. Our Video Books combine the high-quality printed presentation solutions PELEMAN is known for with the latest in digital technology to create a truly unique solution.

Engage your clients with your video message or short movie and deliver a genuinely unforgettable experience.

Quality & Creativity

- **Step 1:** Choose your favourite type of cover
A: Hard Cover with peel & stick solution
B: Hard Cover with magnetic spine
- **Step 2:** Create your video message and upload it to the screen using any USB cable
- **Step 3:** Position your screen inside the cover.

A: Peel off the white protective sheet and stick the screen onto the preferred side of the cover. Use the other side of the cover to stick your bound document or leaflet onto it.

Please note that this document cannot be removed or replaced afterwards.

B: Peel off the white protective sheet and stick the screen onto the right side of the cover. Insert your preferred PELEMAN cover into the magnetic spine.

Your bound document can be easily removed and replaced at any time.

- **Step 4:** Deliver a genuine WOW factor
